Ref: APPLICATION FOR A MASTER'S SCHOLARSHIP IN **SUBJECT NAME**

I am putting forward my motivation for you to make a general idea about me and my concern about getting the **SCHOLARSHIP NAME**.

***Who am I?***

A general introduction about yourself, current affiliation (whether employed, if yes, where and in what capacity). Try to tell your authentic story; they want to know your journey.

***Why do I want to get the scholarship?***

- (1) What makes you a suitable candidate for the scholarship?
- (2) How does the **SCHOLARSHIP** align with your career goals and aspirations?
- (3) What is your long-term career plan and how does it fit with the chosen course?
- ⋮

***What do I expect?***

- (1) How will the course help you contribute to the socio-economic development of your country?
- (2) What are your plans after completing your study?

Kind regards,

**Your full name.**
